

CENTER FOR MACHINING EXCELLENCE

RACE OVER TO INDY DAYS 2026

Hosted at the REGO-FIX Center for Machining Excellence

GenSwiss will be on site and everyone is welcome! Don't miss your opportunity to network with industry leaders and vendors, view demonstrations and cutting-edge technology exhibits at CME's 12,000 sq ft state of the art-facility designed to the same standards that make REGO-FIX legendary in Swiss-quality tool holding systems.

May 13 and May 14

Start: 9:00 AM EDT

End: 5:00 PM EDT

Starting line:

4420 Anson Blvd.,
Whitestown, IN 46075

Registration Required

It's time to take your place at the starting grid. Lock in your position today and register at www.regousa.com/IndyDays
